CRASH & PLAY

Crash&Play

Crash&Play is a peer-to-peer mobile app that connects local musicians with traveling musicians that wish to play music while abroad.

Supposing someone is going away from home (vacations, business travel, study abroad...) and cannot take their musical instruments with them, but are willing to pay to be able to play music while away.

With the Crash&Play app they will be able to find local musicians nearby that are available to play music with them, rent a musical instrument, give music lessons or simply share their music knowledge, experiences and a couple of beers!

Get the Crash&Play app and start playing music with locals.
